

Show EarTwiggles the Way to Healthy Teeth

A maze-like path with various items and scenes placed along it. The path starts at EarTwiggles on the left and ends at the tooth character on the right. The items and scenes include:

- Top row: A box of tissues, a box of dental floss labeled "DENTAL CARE", a pile of crumpled paper, a toothbrush, and a large tooth character.
- Middle row: A can of "SODA", a scene of a dentist examining a child, and an ice cream cone.
- Bottom row: A carton of "MILK", a carrot, a box of tissues, a slice of Swiss cheese, a tube of "TOOTHPASTE", and a lollipop.

There are several empty rectangular boxes along the path, likely for labeling the items.
