

# Splish-Splash in the Tub

Splish-splash in the tub,  
Pat your knees and rub-a-dub!

Water wiggles, swish and sway,  
Move your arms in a splashy way!

Wash your hands — scrub-a-dee-doo,  
Rub them nice till they shine like new!

Wash your toes — one, two, three,  
Scrub them clean for all to see!

Bubbles floating high and light,  
Pop them softly — what a sight!

Drip-drop water down your nose,  
Wiggle fingers, down it goes!

Dry, dry, fluffy and bright,  
Wipe your arms with all your might!

Now we're clean from head to toe,  
Fresh and shiny — off we go!
