

## **The Dentist Says**

*(Tune: Row, Row, Row Your Boat)*

The dentist says please brush your teeth  
to have a healthy smile.

Up and down and up and down  
Brush them twice a day.

The dentist says please floss your teeth  
to have a healthy smile.

In between and back and forth  
Floss them once a day.

The dentist says please eat good food  
to have a healthy smile.

Carrots, apples, and crunchy food  
clean your teeth all day.
